

Protect the needs of your small-business clients

with commercial insurance from Nationwide®

To better compete and win in the marketplace, you need an insurance carrier that is committed to helping you build your agency's business. Nationwide is that carrier. As a nationally recognized brand with the strength and stability of a Fortune 100 company,¹ we offer an unmatched breadth of protection, solutions and services for your small-business customers.

Faster quotes

Our streamlined quoting system offers first-time final quotes and quick response time.

Comprehensive solutions at a competitive price

We offer competitively priced solutions and a wide selection of coverage options. Our customized coverages help you meet your customers' need for the right coverage at the right price.

Loss Control Services and Claims Support

Our robust loss control services, including virtual consultation with a loss control professional, can help you minimize losses and improve customer satisfaction. And should your client have a claim, our specialized commercial claims teams are there to help get their business back up and running.

Specialized expertise and self-service options

Your customers will be taken care of with our specialized expertise and our suite of self-service options, which provide greater customer access and control when managing policies and handling claims.

Helping you learn and grow

The Nationwide Academy can provide customized training and professional development solutions to help you achieve and maintain success within your agency. Learning opportunities are available for instructor-led training, on-demand learning and continuing education courses.

Compensation and incentives

We offer competitive, performance-driven compensation and incentive programs throughout the year.
