

The view just got sweeter

Introducing the Vantage 360 Fleet driver rewards program

A reward may be only a drive away

Your Nationwide Vantage 360 Fleet® app now includes a free, easy-to-use driver rewards program. The program offers gift card rewards based on biweekly telematics scores.

You will receive a reward every 2 weeks based on the past 14 days of driving history, and the app will let you know when you have rewards available.

Claiming a reward

The rewards screen displays a range of options to choose from, including:

- Gift cards for a variety of popular businesses
- A Visa debit card in your reward denomination
- A donation to one of a variety of causes

Once the selection(s) are made and a personal or work email address is entered, an e-gift card will be sent to the email address provided.
